Replying to your enquiry we state that we are willing to sell San Domingo for $2. Not much more for less money will buy it. You inform me that in this case and I note that Fletcher of Thea & Co retires with $20 Gonsler remains selling it for less. We shall be very glad if you will maintain the $2 rate.

You will find that if you make separate letters of your returns and your communications, they will be answered quicker and there will be less liability to error.

I got Coin requests all the time & have been wondering if same would be of any use to you. If so, you are welcome to same. I enclose a few samples.

I have also a dozen or so Postal inquiries a week all for them I direct to you. Many of them are a nuisance, but I thought there might be some business in them. Hope so anyway.

Gentlemen:—

I have in my possession a half dollar dated 1820. It has a little worn, marked 30 c. on one side, instead of being milled on the edge it has the letters "fifty cents" and "Half a Dollar" stamped in the edge. It is in good state of preserva-

tion, with all the letters
clear and distinct
what is it worth?
Yours Truly
